CAPABILITIES STATEMENT

ABOUT CLEVELAND CARTER ENTERPRISES, INC.

Cleveland Carter Enterprises, Inc. (CCE), was founded in 1975 and incorporated in Baxley, Georgia in 1989 as a C Corporation. CCE is a licensed utility contractor with over 40 years of experience in the construction industry. We have extensive experience with waterline installation and bypass pump monitoring.

We have earned distinction in the industry because of our consistent attention to detail, quality assurance and commitment to customer satisfaction. Meticulous detail is given to all facets of service delivery, including bidding, staffing, equipment, supply purchasing and timely project implementation.

OUR VALUES

- **Leadership**
Led by a US Navy veteran who leads by example, we maintain excellence as our standard.
- **Commitment**
We maintain favorable relationships with our clients, partners and vendors.
- **Adherence to Job Specifications**
You specify your needs and we deliver as promised; within budget.
- **On Time Delivery of Services**
We consider timeliness to be next to godliness and professionalism.
